DESIGN \_ DANIELE BEDINI

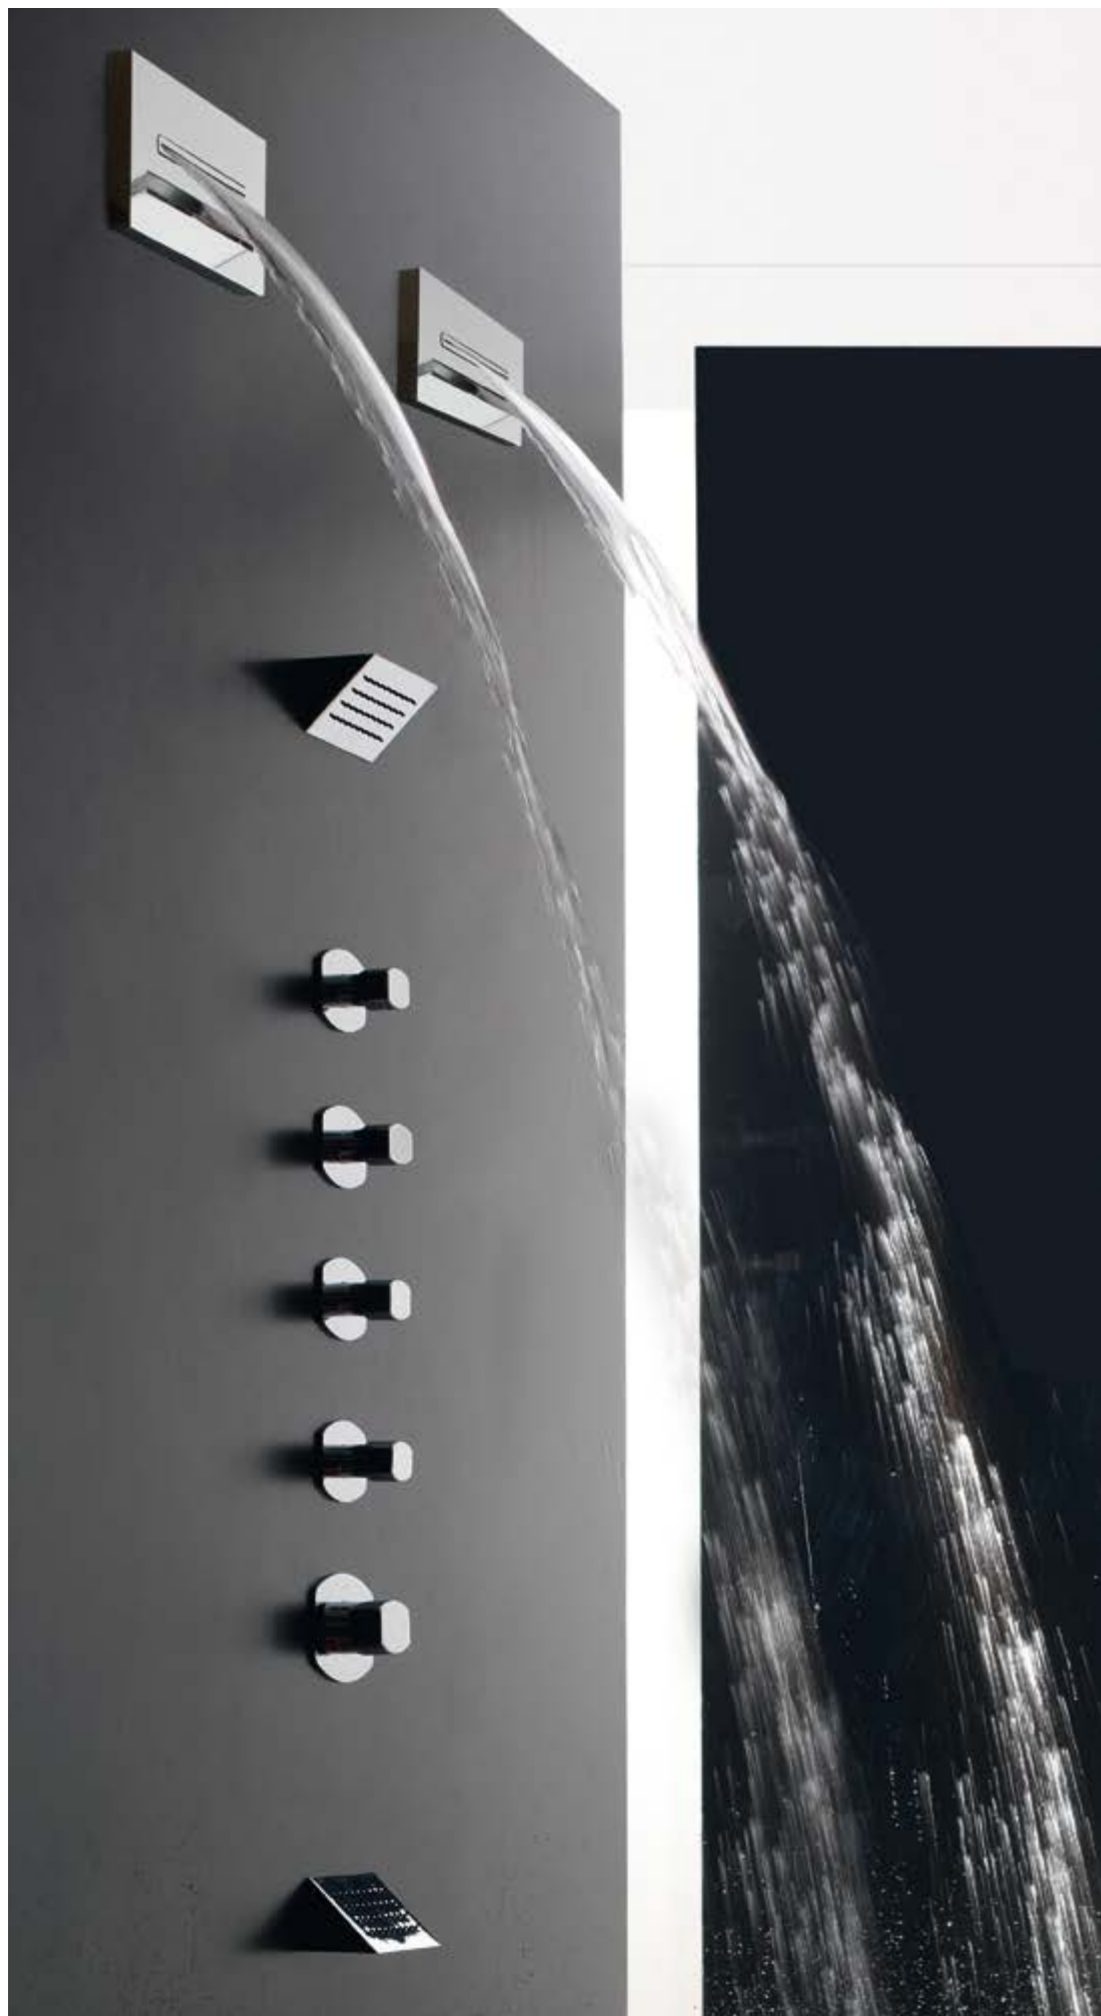

Il bagno come una straordinaria scenografia per un progetto di acqua e di luce, da cui emergono linee semplici e naturali.

The bathroom becomes an extraordinary stage for water and light where natural, sophisticated contours appear.

Soffione con effetto cascata e pioggia. Soffioncini rettangolari, comandi indipendenti e termostatico  
Showerhead with rainfall and waterfall effects. Small, rectangular showerheads, independent controls and thermostatic unit  
Kopfbrause mit Kaskade - und Regenbrause-Effekt. Rechteckige Brausen, unabhängige Schalter und Thermostatbatterie

Soffione a mensola  
 Showerarm complete  
 Regenbrause  
 Brazo de ducha con lluvia  
 Bras de douche mural

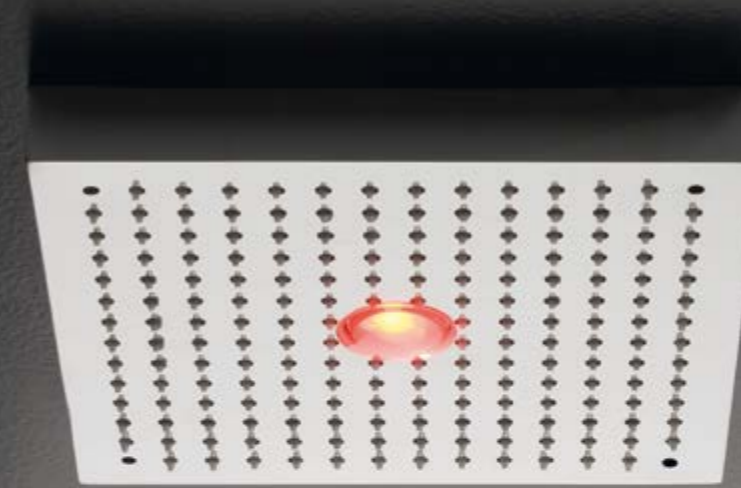

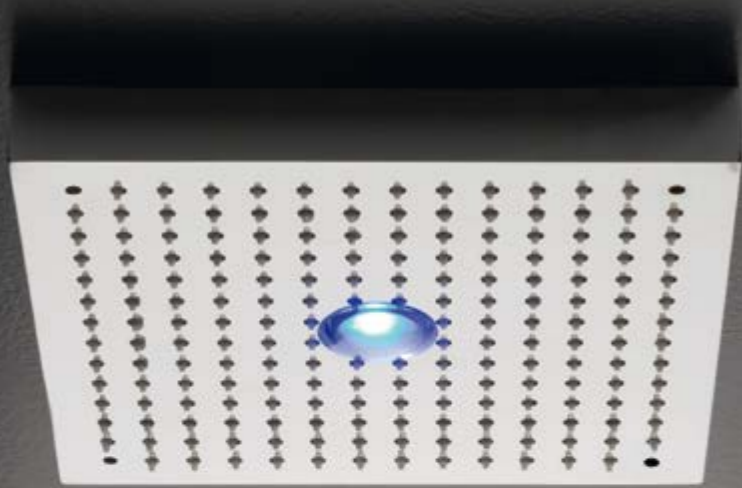

Design semplice e minimale; varietà di elementi per ogni esigenza funzionale. Una scansione dello spazio molto personale con la luce protagonista assoluta, amplificata dallo scorrere dell'acqua.

Minimal design and a wide choice of articles to please every functional need. A very personal perception of space where the light, intensified by the water flow, becomes the absolute protagonist.

Elementi 'cascata' a incasso  
Built-in 'waterfall' elements  
UP-Elemente 'Kaskade'  
Elementos de cascada de empotrar  
Eléments 'cascade' à encastrer

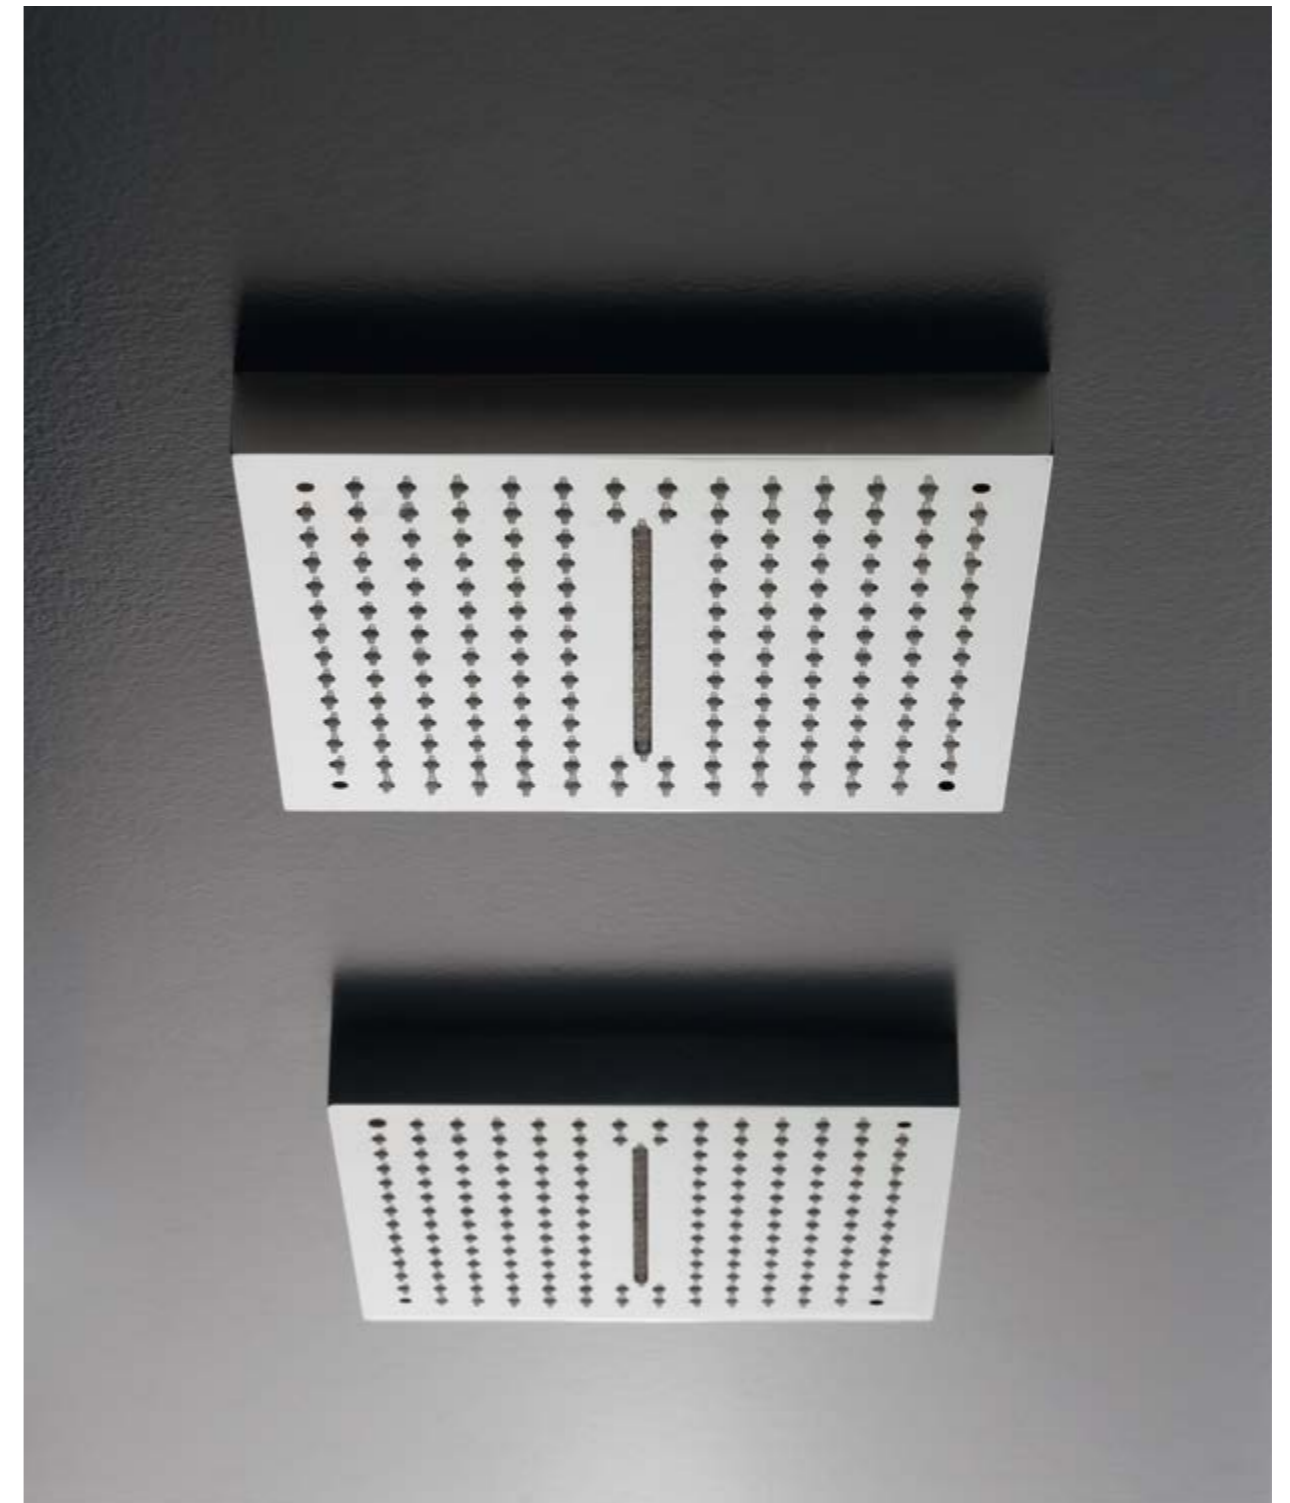

Elementi 'cascata' a incasso, soffioni quadri a soffitto, comandi indipendenti e termostatico
